VA. WEATHER-CROP BULLETIN, NO. 8,

Based on Reports from Volunteer Crop.
Correspondents, Week Ending July 11th.
The high temperature of first part of week was followed Wednesday night by decidedly cooler. There was generally excessive sunshine and no rain, except in eastern section light rain on 9th, with destructive hall-storm south of Richmond that data. Corn and tobacco generally improved, but all crops, and especially garden truck, need rain. Grass is being cut and socured in fine condition, and averages well. Out crop is generally inferior, but is being harvested in good condition.

EXMARS OF SPECIAL CORRESPONDENTS.

partested in fine condition, and averages well.
Out crop is generally inferior, but is being harvested in good condition.

EEMARKS OF SPECIAL CORRESPONDENTS.
Lynchburg. No rainfall. Rain is much needed, especially for randens. Normal rainfall for week would be about 6.72 inch.
Marion: No rainfall. Corn and grass needing rain. Oats not good.
Wytherille: Rainfall del on the 8th. Crops all need rain.
Salem: No rainfall. The hot and dry sunshing weather is teiling unfavorably on all the crops except in river bottoms. Good crop of hay has been saved in good condition.
Dale Enterprise: Rainfall clif on the 4th. Hay wrop being rapidly cut and cured. Weather not and oppressive, but cooler Godys.
Staunton: No rainfall. Corn and vogetables needing rain. Farmers busy securing wheat and grass. Oats not harvested yet, and slightly improved. But are light Corn and tobacco doing well, but need rain badly.
Danville: No rainfall. Dry, hot weather as an injured corn and tobacco doing well, but need rain badly.
Danville: No rainfall. Dry, bot weather as alphared and only about a third of average, and of poor yield and quality.
Aspinwall: No rain. All crops needing rain badly.
Aspinwall: No rain all crops needing rain badly.
Aspinwall: No rain and tobacco. Oat crop harvested and only about a third of average, and of poor yield and quality.
Aspinwall: No rain all crops needing rain badly.
Aspinwall: No rainfall. Dry, bot weather has injured corn and tobacco. Oat crop harvested and only about a third of average, and of poor yield and quality.
Aspinwall: No rain all crops needing rain badly.
Aspinwall: No rainfall. Bry, hot weather has injured corn and tobacco. Oat crop harvested and only about a third of average, and of poor yield and quality.
Aspinwall: No rainfall. Bry and the condition of

AN EXCURSION TRAIN DASHES INTO A SIDE-TRACKED FREIGHT.

Two Persons Killed and Five Injured. The Wreck Cleared.

[Special telegram to the Dispatch.]

LYNCHEURO, VA., July 18.—An excursion train from Richmond en reute to the Natural Bridge passed through this city Sunday morning and a number of passengers stopped over in this city. The train was composed of three coaches and a baggage-car on its upward trip, and when it returned at hight it had four empty coaches, which had been picked up on the route. The train left here for Richmond at 10th. Shortly before the train reached Gladstone, about twenty-eight miles east of this city. Freight Train No. 17 had been side-tracked to left the excursion train pass. After the freight had passed to enthe siding Conductor C. C. Withrow cleared the witch and called to Brakeman Reynolds to come and lock the switch.
